

15th Annual meeting of Proteomics Society, India International Conference on Integrated Proteomics: Applications in Food, Nutrition & Health

November 20-22, 2023 | New Delhi, India

Deadline for Abstract Submission: October 31, 2023
Deadline for Early Bird Registration: October 15, 2023
Deadline for Regular Registration: November 07, 2023

EDUCATION DAY

November 19, 2023

“Education Day”, a knowledge initiative is an integral part of the PSI Annual Meeting with an aim to teach and disseminate comprehensively the basic and advanced proteomics and allied research combined with the technological advancements in the field.

Keeping in the theme of this year conference and pre- and post-conference workshops, three modules of teaching and virtual demonstration sessions have been planned spanning one day (November 19, 2023) before the start of the Conference:

Every module will have two to three lectures and one virtual demonstration and interaction session. The lectures will provide an overview followed by the scientific highlights and emerging new direction in field

Who should attend?

Students, post-docs, researchers, college and university teachers, IPAFNH-PSI 2023 Conference participants and those seeking to incorporate proteomics into their research programs are encouraged to join the Education Day platform to enrich them and learn by one to one interaction with the experts in the field.

PROGRAMME

November 18, 2023	Pre-Conference Workshop
November 19, 2023	Education Day at NIPGR
November 20-22, 2023	15th Annual Meeting of Proteomics Society, India (PSI) in conjunction with the International Conference on “Integrated Proteomics: Applications in Food, Nutrition and Health” at New Delhi
November 23, 2023	Post-Conference Workshop

Hurry up! Register before October 31 to available the early bird benefit

SPEAKERS

- Prof. Ari Sadanandom, UK
- Dr. Aleksandra Nita-Lazar, USA
- Dr. Amit Kumar Yadav, India
- Dr. Arun Bandyopadhyay, India
- Prof. Benedikt Kessler, UK
- Dr. Bhabatosh Das, India
- Prof. Chuna Ram Choudhary, Denmark
- Dr. Debasis Dash, India
- Dr. Jagroop Pandhal, UK
- Dr. Jyothilakshmi Vadassery, India
- Prof. Marc Wilkins, Australia
- Dr. Nima Aghaeepour, USA
- Dr. Pawan Malhotra, India
- Prof. Paul Haynes, Australia
- Dr. Pushkar Sharma, India
- Dr. Rajesh S. Gokhale, India
- Dr. Rajiv Kumar, India
- Dr. Ranjan Nanda, India
- Prof. Renu Deswal, India
- Prof. Dr. Rudolf Aebersold, Switzerland
- Dr. S. G. Sampathkumar, India
- Dr. Sanjeeva Srivastava, India
- Dr. Shantanu Sengupta, India
- Dr. Siddhesh S. Kamat, India
- Dr. Swasti Raychaudhuri, India
- Dr. Syed M. Faisal, India
- Dr. Tadashi Kondo, Japan
- Dr. Thirumurthy Velpandian, India
- Dr. Tushar K. Maiti, India
- Prof. Utpal S. Tatu, India
- Prof. Yu-Ju Chen, Taiwan
