

15th Annual meeting of Proteomics Society, India

International Conference on Integrated Proteomics: Applications in Food, Nutrition & Health

Trade and Sponsorship Brochure

Invitation

Dear Industry Colleague

15th Annual meeting of Proteomics Society, India and International Conference on Integrated Proteomics: Applications in Food, Nutrition & Health is being organized by National Proteomics Society, India (PSI) and Institute of Plant Genome Research (NIPGR), New Delhi.

The conference expects to have one of the largest gatherings of world leaders working in the field covering plant, animal and human biology. In addition to the enriching scientific program focusing in the area of proteomics, metabolomics, system biology, big data analysis and many more, several opportunities have been incorporated that offer extensive networking for sponsors and exhibitors with the national and international speakers, delegates and students. The conference offers a unique opportunity not only to interact to the scientific fraternity, but also with the decision makers across globe.

Conference organizer is pleased to offer a variety of sponsorship options, including but not limited to: industry talk, slots, exhibit space, signage opportunities pre- and post- conference workshop participation, education day program, advertising opportunities in the abstract book, online link to sponsors' webpage, prize for post presentation, and many more.

We welcome you to be the part of the conference and look forward to your support in making PSI 2023 Conference a grand success.

For detailed information regarding sponsorship and exhibit opportunities, please go through the brochure.

Warm Regards

Convener
